ICAP continues to promote and protect the legislative interests of the appraisal profession in the Illinois General Assembly, but we need your support as we rewrite the Real Estate Appraiser Licensing Act of 2002 including AMC regulation legislation. Your annual membership dues are essential to ICAP remaining a strong political activist for appraisers in the State of Illinois. Thank you for your continued support of ICAP and the appraisal profession in our State. Dues are not tax deductible as they are allocated to lobbying expenses.

ICAPPAC, the appraisers political action fund, collects contributions from members and uses those funds to help elect candidates for public office who are supportive of appraiser related issues. **ICAPPAC contributions are voluntary and not tax deductible.**

Thank you for your support!!!!!!
